### IV. DISTRIBUTION OF THE DIVIDEND

As approved by the AGM, the Company will distribute final dividend of RMB0.35 per share (tax included) for the year ended 31 December 2021 to the shareholders of H shares whose names appear on the register of members in respect of H shares as of Monday, 4 July 2022.

#### (I) **Method for Distributing Dividends**

Pursuant to the stipulations of the Company's Articles of Association, dividends distributed by the Company to its shareholders shall be denominated in Renminbi ("**RMB**"). Dividends on A shares shall be paid in RMB while dividends on H shares shall be paid in Hong Kong dollars ("**HKD**"). The conversion formula shall be: dividend conversion price in HKD = dividends in RMB/average price of the central parity rates for one HKD against RMB published by the People's Bank of China during five working days prior to the date of the announcement of dividends. With respect to this dividend distribution, the average price of the central parity rates for one HKD against RMB published by the People's Bank of China during five working days prior to the date of the announcement of dividends, i.e. 23 June 2022, is: HKD1 against RMB0.853796. Therefore, the dividend per share payable to the Company's H-share shareholders before tax is HKD0.409934.

Pursuant to the stipulations of the Company's Articles of Association, the Company has entrusted Bank of China (Hong Kong) Trustees Limited as the receiving agent for H-share shareholders. Cheques for the Company's H-share dividends will be issued by the receiving agent and sent by ordinary mail to all H-share shareholders on 21 July 2022.

For individuals and corporate investors in Mainland China investing in the H shares of the Company through Shanghai-Hong Kong Stock Connect, the Company has entered into an “Agreement on Distribution of Cash Dividends on H Shares Listed on the Hong Kong Stock Exchange” with the Shanghai Branch of China Securities Depository and Clearing Corporation Limited (“**CSDC Shanghai Branch**”) to entrust CSDC Shanghai Branch to distribute relevant dividends. As an agent for the investors under Shanghai-Hong Kong Stock Connect, CSDC Shanghai Branch will receive all the relevant dividends distributed by the Company and distribute these dividends to the relevant investors under Shanghai-Hong Kong Stock Connect through its depository and clearing system.

For individuals and corporate investors in Mainland China investing in the H shares of the Company through Shenzhen-Hong Kong Stock Connect, the Company has entered into an “Agreement on Distribution of Cash Dividends on H Shares Listed on the Hong Kong Stock Exchange” with the Shenzhen Branch of China Securities Depository and Clearing Corporation Limited (“**CSDC Shenzhen Branch**”) to entrust CSDC Shenzhen Branch to distribute relevant dividends. As an agent for the investors under Shenzhen-Hong Kong Stock Connect, CSDC Shenzhen Branch will receive all the relevant dividends distributed by the Company and distribute these dividends to relevant investors under Shenzhen-Hong Kong Stock Connect through its depository and clearing system.

The dates of share registration, the dates of dividend payment and other schedules for the investors under Shanghai-Hong Kong Stock Connect and Shenzhen-Hong Kong Stock Connect are the same as those for the Company’s H-share shareholders. Cash dividends will be distributed in RMB.

Any shares registered in the name of a non-individual shareholder, including Hong Kong Securities Clearing Company Nominees Limited, other nominees or trustees, or other organisations and groups, are deemed as shares held by non-resident corporate shareholders. However, the Individual H Shareholders may be entitled to certain tax preferential treatments pursuant to the tax treaties between the PRC and the countries in which the Individual H Shareholders are domiciled and the tax arrangements between Mainland China and Hong Kong (Macau). Detailed arrangements are as follows:

- For Individual H Shareholders who receive dividends and who are residents of Hong Kong or Macau, or for other residents of the countries/regions that have entered into a taxation agreement with China, under which dividends are subject to a rate of 10%, the Company will withhold individual income tax at a rate of 10% when it distributes dividends.

After the Company forwards the same to the competent tax authority for review and approval, it can file an application for entitlement to the treatment under the relevant agreement on behalf of these shareholders pursuant to the relevant rules of the Chinese tax authorities.
- For Individual H Shareholders who receive dividends and who are residents of the countries/regions that have entered into a taxation agreement with China, under which dividends are subject to a rate of higher than 10% but lower than 20%, the Company will withhold individual income tax at the actual tax rate as stipulated under the relevant taxation agreement when it distributes dividends.

- For Individual H Shareholders who receive dividends and who are residents of the countries/regions that have entered into a taxation agreement with China, under which dividends are subject to a rate of 20%; and for residents of countries/regions without any taxation agreement with China, or for other circumstances, the Company will withhold individual income tax at a rate of 20% when it distributes dividends.
